Topic: Reminder to submit mandatory immunization reporting surveys per Nevada Revised Statutes

To: Nevada Public, Private, and Charter School Chief School Nurses, Officials, and Administrators; Child Care Facility Directors and Officials; and Accommodation Care Facility Directors and Officials

Per Nevada Revised Statutes (NRS) 392.435, 394.192, 432A.230, and 432A.235, each public, private, and charter school, child care facility, and accommodation facility must submit immunization information to the Nevada Division of Public and Behavioral Health every year. The Nevada State Immunization Program (NSIP) requests schools and facilities submit their 2026-2027 mandatory immunization reporting surveys by Wednesday, December 31, 2026. The reporting surveys are available on the NSIP website at https://www.dpbh.nv.gov/programs/immunizations/school-and-child-care-immunizations/, along with resources and instruction packets.

Immunization requirements and resources are available to provide access to vaccinations:

- Connect with local health care providers, pharmacies, community/public health nurses, Federally Qualified Health Centers, or county health districts for access to vaccines or https://www.vaccines.gov/ for vaccine availability.
- School vaccination rates by county: School screenings dashboard
- Nevada school/childcare facility immunizations resources and links to technical bulletins: https://www.dpbh.nv.gov/programs/immunizations/school-requirements/
- All DPBH technical bulletins: https://dpbh.nv.gov/Resources/Technical_Bulletins-New/
- Nevada immunization schedule: March 27, 2026, ACIP BOH Technical Bulletin
- Please e-mail nviz@health.nv.gov with questions on Nevada's school, childcare, or accommodation facility vaccination requirements.
