Staffing

Percentage of Positions Vacant: 36.1%

Staffing Difficulties (Give a brief description):

We are still having challenges recruiting Psychiatric Nurses and Mental Health Technicians but have had great success with our other positions through workforce development programs and lots of outreach.

Program Highlight/Difficulties and Summary

Program Difficulties:

Inpatient census has been at 50% reduced census for construction project that started in August and is scheduled to be completed the first week in August.

Program Changes and/or Successes:

Our Justice Involved Diversion program continues to show a large reduction in recidivism. Limited licensed supported housing options exist in Washoe County.

Summary Statement to the Commission:

We are continuing to focus efforts on recruitment and program improvement.
