

Dear Annette Logan-Parker,

The Nevada Rare Disease Advisory Council is invited to attend a virtual interview session with the Mercer team on behalf of the Nevada Department of Medicaid.

The focus of the session is related to specialty care/services for **Nevada's children with rare diseases**, to gain understanding through stakeholder feedback regarding:

- Provided services
- Access to care
- Patient experience
- Prior authorization
- Billing/reimbursement

General information about the virtual session:

- You may include as many team members as you determine necessary to participate in the virtual discussion and/or respond to the topic areas of the interview guide.
- If you have team members who are unable to attend the virtual session, you may opt to have them complete the attached **interview guide** and submit for Mercer's review.
- Please provide the dates and times that work for your team to participate in a **90-minute** block of time as noted below.
