Subject: Mandates for Clark County Students

Hello,

My name is Chantel Toia and I strongly oppose the mandatory use of the COVID 19 vaccine on our Nevada students. Please put my opposition in record. Please note:

The students in Nevada deserve to maintain their Constitutionally guaranteed right to say "no" to drugs for any reason. It is a violation of Nuremberg Code to force anyone to participate in a medical experiment (and with non-FDA approved drugs, these vaccines qualify as experimental). It is a violation of the 1st amendment to require anyone to violate his or her religious beliefs in order to participate in society and especially at publicly-funded schools.

I also strongly oppose the mandate for masks to be used on students. So much so that my kids will be withdrawn along with hundreds of other parents to show how much we oppose all of this. While your student numbers start to fall - remember so does your funding.

Best regards,
