Oppose mandatory Covid-19 vaccines for our Nevada college students. Our students deserve to maintain their constitutionally guaranteed right to say "no" to drugs for any reason. It is a violation of Nuremberg Code to force anyone to participate in a medical experiment (and with non-FDA approved drugs, these vaccines qualify as experimental). It is a violation of the 1st amendment to require anyone to violate his or her religious beliefs in order to participate in society and especially at publicly-funded schools. How is it "my body, my choice" when it comes to abortion, but not when it comes to vaccinations?!?
